PROFILE SUMMARY

Passionate and self-motivated aspiring software developer with experience in front-end technologies such as **HTML, CSS, JavaScript, and React Native**. Currently developing an **Age Calculator Mobile App** and building a **personal portfolio webpage** to showcase projects and skills. Eager to join the **DiV Accelerator Program V4** to gain advanced training and industry experience in software development.

SKILLS

- **Programming Languages:** HTML, CSS, JavaScript
 - **Frameworks & Libraries:** React Native (beginner)
 - **Tools & Technologies:** Git/GitHub, VS Code, Adalo
 - **Soft Skills:** Problem-solving, adaptability, teamwork, strong learning ability
-

PROJECTS

Age Calculator Mobile App *(In Progress)*

- Developing a mobile application to calculate age accurately using **React Native**.
- Applying UI/UX best practices to ensure responsiveness and usability.
- Learning state management and API integration in mobile app development.

Personal Portfolio Webpage *(In Progress)*

- Designing and developing a **responsive portfolio website** using **HTML, CSS, and various web technologies**.
- Showcasing projects, skills, and experiences in an interactive format.
- Implementing modern UI/UX principles to enhance user engagement.

Responsive Website Development

- Designed and built a fully responsive website using **HTML, CSS, and JavaScript**.
- Implemented media queries for mobile compatibility.
- Ensured accessibility and improved UI/UX design.

EDUCATION & CERTIFICATIONS

- **Self-Taught Software Development** (*Ongoing Learning via Online Courses*)
- Completed various free courses on HTML, CSS, and JavaScript.

EXPERIENCE

- **Freelance Front-End Developer** (*2024 - Present*)
 - Created website interfaces and designs using **HTML & CSS**.

WHY DiV ACCELERATOR?

I am eager to deepen my **software development skills** through structured mentorship and hands-on training. With my **strong commitment to learning and problem-solving**, I believe this program will help me transition into a professional software engineering career and contribute meaningfully to the tech ecosystem.

AVAILABILITY & COMMITMENT

- Fully available for the **12-month intensive training program**.
 - Open to full-time job opportunities post-training.
 - Ready to collaborate, learn, and grow within a **diverse tech community**.
-
